Information

Ticket vending machine
Funicular station at Bluche-Randogne,
Montana and Sierra SMC.

For your information a ticket vending machine is being installed at the funicular stop of Bluche.

With this ticket vending machine, it will be possible to buy tickets for destinations to Montana and Sierra, as well as many other destinations in Switzerland as in Eg: Bluche-Geneva Airport.

It will also be possible to access all services related to the purchase of a ticket such as one way or return, with or without half-price, multi-card and day pass etc...

There will also be a ticket punching machine to validate the multi-card. Furthermore the machine is equipped to accept payments by cash or credit card.

Change will always be given in coins. Please be aware that the ticket machines are therefore unable to give more than 20 francs in change.

You can top up your talk time at SBB ticket machines whenever you like on any of the following net-works: Swisscom, Sunrise, Salt, Lebara, Lycamobile, Yallo, CoopMobile, M-Budget Mobile, Aldi Suisse, Mucho Mobile and Mobile.

Alternatively, for competitively priced international calls, you can also purchase Beone and Flash phonecards as well as the PhoneCARD Telecom FL at CFF ticket machines.

Please purchase and/or validate your ticket before boarding the funicular. If there is no machine at the station/stop, please see the driver immediately situated at front of the funicular. Without a valid ticket before boarding you will be charged an extra fee.
